# SHURAM LLC OIL & GAS

Shuram Oil & Gas is an Omani owned SME, established in 1996.

The company was founded by Salim Abdullah Al Maskery. Geologist with more than 40 years' experience.

His career began in Geology as a volunteer with The Open University (England) on the Oman Ophiolite Project, 1974.

He had the honor to work with Professor Ken Glennie & Michael Hughes Clarke. Since then he has specialized in surface geology with extensive experience in outcrop locations.

# FIELD TRIP LOGISTIC SERVICES

Shuram is a pioneer in organizing geological field trips for educational and commercial organizations in the Sultanate of Oman. We have accomplished more than 2.5 million KM LTI free in the past 20 years.
